**FAB3422A**

CD28 Antibody (2946A) [Allophycocyanin]

| Product Information         |                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                          |
| Storage                     | Store at 4C in the dark.                                                                                             |
| Clonality                   | Monoclonal                                                                                                           |
| Clone                       | 2946A                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                   |
| Isotype                     | IgG                                                                                                                  |
| Conjugate                   | Allophycocyanin                                                                                                      |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                |
| Buffer                      | PBS                                                                                                                  |
| Product Description         |                                                                                                                      |
| Host                        | Rabbit                                                                                                               |
| Gene ID                     | 940                                                                                                                  |
| Species                     | Human                                                                                                                |
| Specificity/Sensitivity     | Detects human CD28 in direct ELISA.                                                                                  |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf21-derived recombinant human CD28 Asn19-Pro152<br>Accession # P10747 |
| Product Application Details |                                                                                                                      |
| Applications                | Flow Cytometry                                                                                                       |
| Recommended Dilutions       | Flow Cytometry                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                               |
