ACE-2 Antibody (2818I) [FITC]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 2818I                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG                                                                                              |
| Conjugate                   | FITC                                                                                             |
| Purity                      | Protein A or G purified from cell culture supernatant                                            |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Rabbit                                                                                           |
| Gene ID                     | 59272                                                                                            |
| Species                     | Mouse                                                                                            |
| Specificity/Sensitivity     | Detects mouse ACE-2 in direct ELISAs.                                                            |
| Immunogen                   | Chinese Hamster Ovary cell line CHO-derived mouse ACE-2<br>Gln18-Thr740<br>Accession # NP_081562 |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry                                                |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
