ACE-2 Antibody (2818I) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2818I                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                           |
| Gene ID                 | 59272                                                                                            |
| Species                 | Mouse                                                                                            |
| Specificity/Sensitivity | Detects mouse ACE-2 in direct ELISAs.                                                            |
| Immunogen               | Chinese Hamster Ovary cell line CHO-derived mouse ACE-2<br>Gln18-Thr740<br>Accession # NP_081562 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry                      |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
