**FAB3652RD**

CX3CL1/Fractalkine Antibody (81506R) [DyLight 350]

| Product Information         |                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                     |
| Storage                     | Store at 4C in the dark.                                                                                        |
| Clonality                   | Monoclonal                                                                                                      |
| Clone                       | 81506R                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                              |
| Isotype                     | IgG1                                                                                                            |
| Conjugate                   | DyLight 350                                                                                                     |
| Purity                      | Protein A or G purified from cell culture supernatant                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                              |
| Product Description         |                                                                                                                 |
| Host                        | Mouse                                                                                                           |
| Gene ID                     | 6376                                                                                                            |
| Species                     | Human                                                                                                           |
| Specificity/Sensitivity     | Detects human CX3CL1/Fractalkine in direct ELISAs.                                                              |
| Immunogen                   | NS0-derived and <i>E. coli</i> -derived Recombinant human CX3CL1/Fractalkine Gln25-Arg339<br>Accession # P78423 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                               |
| Product Application Details |                                                                                                                 |
| Applications                | CyTOF-ready, Intracellular Staining by Flow Cytometry, Neutralization                                           |
| Recommended Dilutions       | Neutralization, Intracellular Staining by Flow Cytometry, CyTOF-ready                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                          |
