**FAB37914F**

CD4 Antibody (2759D) [FITC]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Monoclonal                                                                                                |
| Clone                       | 2759D                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                        |
| Isotype                     | IgG                                                                                                       |
| Conjugate                   | FITC                                                                                                      |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                |
| Buffer                      | PBS                                                                                                       |
| Product Description         |                                                                                                           |
| Host                        | Rabbit                                                                                                    |
| Gene ID                     | 920                                                                                                       |
| Species                     | Human                                                                                                     |
| Specificity/Sensitivity     | Detects human CD4 in direct ELISAs                                                                        |
| Immunogen                   | <i>Spodoptera frugiperda</i> , Sf 21 (baculovirus)-derived human CD4 Lys26-Trp390<br>Accession # P01730.1 |
| Product Application Details |                                                                                                           |
| Applications                | Flow Cytometry                                                                                            |
| Recommended Dilutions       | Flow Cytometry                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
