**FAB4369H**

Mineralocorticoid R/NR3C2 Antibody (385707) [HRP]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Monoclonal                                                                                              |
| Clone                       | 385707                                                                                                  |
| Preservative                | No Preservative                                                                                         |
| Isotype                     | IgG2b                                                                                                   |
| Conjugate                   | HRP                                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                              |
| Buffer                      | PBS                                                                                                     |
| Product Description         |                                                                                                         |
| Host                        | Mouse                                                                                                   |
| Gene ID                     | 4306                                                                                                    |
| Gene Symbol                 | NR3C2                                                                                                   |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects human Mineralocorticoid R/NR3C2.                                                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Mineralocorticoid R/NR3C2 Met1-Leu670<br>Accession # AAI11759 |
| Product Application Details |                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
