MDGA2 Antibody (803732R) [DyLight 405]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Monoclonal                                                                                        |
| Clone                       | 803732R                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                |
| Isotype                     | IgG2b                                                                                             |
| Conjugate                   | DyLight 405                                                                                       |
| Purity                      | Protein A or G purified from cell culture supernatant                                             |
| Buffer                      | 50mM Sodium Borate                                                                                |
| Product Description         |                                                                                                   |
| Host                        | Mouse                                                                                             |
| Gene ID                     | 161357                                                                                            |
| Species                     | Human, Rat                                                                                        |
| Specificity/Sensitivity     | Detects human MDGA2 in direct ELISAs. Detects rat MDGA2 in Flow Cytometry.                        |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human MDGA2<br>Gln21-Asp934<br>Accession # Q7Z553 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                 |
| Product Application Details |                                                                                                   |
| Applications                | Flow Cytometry, CyTOF-ready                                                                       |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
