CCR1 Antibody (643854R) [DyLight 405]

| Product Information         |                                                                                                                                            |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                |
| Storage                     | Store at 4C in the dark.                                                                                                                   |
| Clonality                   | Monoclonal                                                                                                                                 |
| Clone                       | 643854R                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                         |
| Isotype                     | IgG2b                                                                                                                                      |
| Conjugate                   | DyLight 405                                                                                                                                |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                         |
| Product Description         |                                                                                                                                            |
| Host                        | Rat                                                                                                                                        |
| Gene ID                     | 1230                                                                                                                                       |
| Species                     | Mouse                                                                                                                                      |
| Specificity/Sensitivity     | Detects mouse CCR1 in direct ELISAs.                                                                                                       |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse CCR1<br>Extracellular regions (aa 1-34, aa 92-107, aa 172-192, aa 265-281)<br>Accession # P51675 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                          |
| Product Application Details |                                                                                                                                            |
| Applications                | Flow Cytometry, CyTOF-ready                                                                                                                |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                     |
