| Clone                       | 193208                                                                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                      |
| Isotype                     | IgG2b                                                                                                                                                                                                                                   |
| Conjugate                   | FITC                                                                                                                                                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                                                                   |
| Gene ID                     | 7424                                                                                                                                                                                                                                    |
| Gene Symbol                 | VEGFC                                                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human VEGF-C in direct ELISAs and Western blots. In direct ELISAs, this antibody does not cross-react with recombinant human (rh) PDGF $\alpha$ AA, rhPDGF $\alpha$ BB, rhPIGF, rhVEGF165, rhVEGF206, rhVEGF-B186, or rhVEGF-D. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human VEGF-C Thr103-Arg227 (Cys156Ser)<br>Accession # Q6FH59                                                                                                                            |
| Product Application Details |                                                                                                                                                                                                                                         |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                  |
