**FAB8069Y**

Complexin-1/2 Antibody (837802) [DyLight 680]

| Product Information         |                                                                                                                         |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                             |
| Storage                     | Store at 4C in the dark.                                                                                                |
| Clonality                   | Monoclonal                                                                                                              |
| Clone                       | 837802                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                      |
| Isotype                     | IgG1                                                                                                                    |
| Conjugate                   | DyLight 680                                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                      |
| Product Description         |                                                                                                                         |
| Host                        | Mouse                                                                                                                   |
| Gene ID                     | 10815                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                       |
| Specificity/Sensitivity     | Detects human Complexin-1 and Complexin-2 in ELISAs. Detects human, mouse, and rat Complexin-1 and -2 in Western blots. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Complexin-1<br>Met1-Lys134<br>Accession # O14810                              |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                       |
| Product Application Details |                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                  |
