**FAB808L**

Osteopontin/OPN Antibody (2139B) [DyLight 550]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Monoclonal                                                                                               |
| Clone                       | 2139B                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG                                                                                                      |
| Conjugate                   | DyLight 550                                                                                              |
| Purity                      | Protein A or G purified from cell culture supernatant                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                       |
| Product Description         |                                                                                                          |
| Host                        | Rabbit                                                                                                   |
| Gene ID                     | 6696                                                                                                     |
| Species                     | Mouse                                                                                                    |
| Specificity/Sensitivity     | Detects mouse Osteopontin /OPN in direct ELISAs.                                                         |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Osteopontin/OPN Leu17-Asn294<br>Accession # Q547B5 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                        |
| Product Application Details |                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                  |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
