NAC1 Antibody (1243A) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1243A                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                |
| Gene ID                 | 112939                                                                                |
| Gene Symbol             | Nacc1                                                                                 |
| Species                 | Mouse                                                                                 |
| Specificity/Sensitivity | Detects mouse NAC1 in direct ELISAs.                                                  |
| Immunogen               | <i>E. coli</i> -derived recombinant mouse NAC1<br>Val457-Gln514<br>Accession # Q7TS78 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
