UNC13D/Munc 13-4 Antibody (1223A) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1223A                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                   |
|-------------------------|-------------------------------------------------------------------|
| Host                    | Rabbit                                                            |
| Gene ID                 | 201294                                                            |
| Gene Symbol             | UNC13D                                                            |
| Species                 | Human                                                             |
| Specificity/Sensitivity | Detects the conventional form of human UNC13D in Western blots.   |
| Immunogen               | KLH-coupled N-terminal human UNC13D peptide<br>Accession # Q70J99 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry                                      |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
