| Clonality                   | Monoclonal                                                                                                               |
| Clone                       | 1222B                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG                                                                                                                      |
| Conjugate                   | PerCP                                                                                                                    |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                    |
| Buffer                      | PBS                                                                                                                      |
| Product Description         |                                                                                                                          |
| Host                        | Rabbit                                                                                                                   |
| Gene ID                     | 201294                                                                                                                   |
| Gene Symbol                 | UNC13D                                                                                                                   |
| Species                     | Human                                                                                                                    |
| Specificity/Sensitivity     | Detects the alternate form of human UNC13D in Western blots.                                                             |
| Immunogen                   | KLH-coupled N-terminal human UNC13D peptide of an alternative isoform described in PMID:24842371<br>Accession # EAW89322 |
| Product Application Details |                                                                                                                          |
| Applications                | Western Blot, Immunocytochemistry                                                                                        |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
