**FAB8970F**

FoxP3 Antibody (376209R) [FITC]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 376209R                                                                                     |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG1                                                                                        |
| <b>Conjugate</b>     | FITC                                                                                        |
| <b>Purity</b>        | Protein A or G purified from cell culture supernatant                                       |
| <b>Buffer</b>        | PBS                                                                                         |

**Product Description**

|                                |                                                                                       |
|--------------------------------|---------------------------------------------------------------------------------------|
| <b>Host</b>                    | Mouse                                                                                 |
| <b>Gene ID</b>                 | 50943                                                                                 |
| <b>Species</b>                 | Human, Mouse, Rat                                                                     |
| <b>Specificity/Sensitivity</b> | Detects human FoxP3 in direct ELISAs.                                                 |
| <b>Immunogen</b>               | <i>E.coli</i> -derived recombinant human FoxP3<br>Gln105-Lys200<br>Accession # Q9BZS1 |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Flow Cytometry, CyTOF-ready                                            |
| <b>Recommended Dilutions</b> | Flow Cytometry, CyTOF-ready                                            |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |

**Images**

FoxP3 Antibody (376209R) [FITC] [FAB8970F] - Vial of FITC conjugated antibody. FITC is optimally excited at 498 nm by the Blue laser (488 nm) and has an emission maximum of 519 nm.
