**FAB901RB**

MMP-1 Antibody (36665R) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 36665R                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                        |
|-------------------------|--------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                  |
| Gene ID                 | 4312                                                                                                   |
| Gene Symbol             | MMP1                                                                                                   |
| Species                 | Human                                                                                                  |
| Specificity/Sensitivity | Detects pro and active forms of human MMP-1.                                                           |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant human MMP-1 Phe20-Asn469<br>Accession # P03956 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry, Knockout Validated                 |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Knockout Validated                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
