**FAB973H**

TIMP-3 Antibody (183551) [HRP]

| Product Information         |                                                                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                            |
| Storage                     | Store at 4C in the dark.                                                                                                                                               |
| Clonality                   | Monoclonal                                                                                                                                                             |
| Clone                       | 183551                                                                                                                                                                 |
| Preservative                | No Preservative                                                                                                                                                        |
| Isotype                     | IgG1                                                                                                                                                                   |
| Conjugate                   | HRP                                                                                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                                  |
| Gene ID                     | 7078                                                                                                                                                                   |
| Gene Symbol                 | TIMP3                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human TIMP-3 in ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant human TIMP-1, -2, or -4 is observed.                          |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human TIMP-3 Cys24-Pro211<br>Accession # P35625                                                                        |
| Product Application Details |                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair) |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                 |
