| Description             | Novus Biologicals Mouse FBXO28 Antibody (3E5) - Azide and BSA Free (H00023219-M01) is a monoclonal antibody validated for use in ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee.                      |
| Host                    | Mouse                                                                                                                                                                                                                            |
| Gene ID                 | 23219                                                                                                                                                                                                                            |
| Gene Symbol             | FBXO28                                                                                                                                                                                                                           |
| Species                 | Human                                                                                                                                                                                                                            |
| Specificity/Sensitivity | This product is specific for Human FBXO28 monoclonal antibody (M01), clone 3E5 [Gene ID: 23219].                                                                                                                                 |
| Immunogen               | FBXO28 (NP_055991, 191 a.a. ~ 290 a.a) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.<br>QRAHEVLQELRDISSMAMEYFDEKIVPILKRKLPGSDVSGRLMGSPVPVGPSPA<br>ALTTMQLFSKQNPQRQEVTKLQQQVKTNGAGVTVLRREISELRTKVQ |
| Notes                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                               |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Sandwich ELISA                                                  |
| Recommended Dilutions       | ELISA, Sandwich ELISA                                                  |
| Application Notes           | Mouse monoclonal antibody raised against a partial recombinant FBXO28. |

**Images**

Sandwich ELISA: FBXO28 Antibody (3E5) [H00023219-M01] - Detection limit for recombinant GST tagged FBXO28 is 0.3 ng/ml as a capture antibody.
