**NB100-60640****TAF6 Antibody**

| <b>Product Information</b> |                             |
|----------------------------|-----------------------------|
| <b>Unit Size</b>           | 0.1 ml                      |
| <b>Concentration</b>       | 0.2 mg/ml                   |
| <b>Storage</b>             | Store at 4C. Do not freeze. |
| <b>Clonality</b>           | Polyclonal                  |
| <b>Preservative</b>        | 0.09% Sodium Azide          |
| <b>Isotype</b>             | IgG                         |
| <b>Purity</b>              | Immunogen affinity purified |
| <b>Buffer</b>              | TBS and 0.1% BSA            |

| <b>Product Description</b> |                                                                                                                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit TAF6 Antibody (NB100-60640) is a polyclonal antibody validated for use in IHC, WB and IP. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>                | Rabbit                                                                                                                                                                                 |
| <b>Gene ID</b>             | 6878                                                                                                                                                                                   |
| <b>Gene Symbol</b>         | TAF6                                                                                                                                                                                   |
| <b>Species</b>             | Human                                                                                                                                                                                  |
| <b>Immunogen</b>           | The immunogen recognized by this antibody maps to a region between residue 627 and 677 of human TBP-associated factor 6 using the numbering given in entry NP_005632.1 (GeneID 6878).  |

| <b>Product Application Details</b> |                                                                                                                                                |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry, Immunoprecipitation                                                         |
| <b>Recommended Dilutions</b>       | Western Blot 1:2000-1:10000, Immunohistochemistry 1:100-1:500, Immunoprecipitation 2-5 ug/mg lysate, Immunohistochemistry-Paraffin 1:100-1:500 |
| <b>Application Notes</b>           | Epitope retrieval with citrate buffer pH6.0 is recommended for FFPE tissue sections.                                                           |

## Images

Western Blot: TAF6 Antibody [NB100-60640] - Detection of Human TAF6 on HeLa whole cell lysate. TAF6 was also immunoprecipitated by rabbit anti-TAF6 antibody NB100-60639.

Immunohistochemistry-Paraffin: TAF6 Antibody [NB100-60640] - Section of human prostate carcinoma. Antibody: Affinity purified rabbit anti- TAF6 used at a dilution of 1:200 (1ug/ml). Detection: DAB
