V5 Epitope Tag Antibody [PerCP]

| Product Information         |                                                                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                       |
| Storage                     | Store at 4C in the dark.                                                                                                                                                          |
| Clonality                   | Polyclonal                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                               |
| Conjugate                   | PerCP                                                                                                                                                                             |
| Purity                      | Immunogen affinity purified                                                                                                                                                       |
| Buffer                      | PBS                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                   |
| Host                        | Chicken                                                                                                                                                                           |
| Species                     | Epitope Tag                                                                                                                                                                       |
| Immunogen                   | Chickens were immunized with V5 cleavage site (GKPIPPLLGLDST) conjugated to KLH. Antibody was isolated by affinity chromatography using the peptide immobilized on solid support. |
| Product Application Details |                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunoprecipitation                                                                           |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                            |
