## Oval Cell Marker Antibody (OC2-2F3)

[Allophycocyanin/Cy7]

**NBP1-18964APCCY7**

Unit Size: 0.1 ml

Store at 4C in the dark. Do not freeze.

Oval Cell Marker Antibody (OC2-2F3) [Allophycocyanin/Cy7]

| Product Information         |                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                               |
| Concentration               | This product is unpurified. The exact concentration of antibody is not quantifiable. |
| Storage                     | Store at 4C in the dark. Do not freeze.                                              |
| Clonality                   | Monoclonal                                                                           |
| Clone                       | OC2-2F3                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                   |
| Isotype                     | IgG1                                                                                 |
| Conjugate                   | Allophycocyanin/Cy7                                                                  |
| Purity                      | Tissue culture supernatant                                                           |
| Buffer                      | PBS                                                                                  |
| Product Description         |                                                                                      |
| Host                        | Rat                                                                                  |
| Species                     | Mouse                                                                                |
| Marker                      | Hepatic periductal cell Marker                                                       |
| Specificity/Sensitivity     | Specific for proliferating hepatic duct cells.                                       |
| Immunogen                   | Nonparenchymal cells from DDC-treated mice                                           |
| Product Application Details |                                                                                      |
| Applications                | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Frozen                    |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Frozen                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.               |
