## AP2M1 Antibody - BSA Free

### NBP1-32272

Unit Size: 0.1 ml

Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.

AP2M1 Antibody - BSA Free

| Product Information         |                                                                                                                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                        |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                                                                              |
| Storage                     | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                                                                                    |
| Preservative                | 0.01% Thimerosal                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                     |
| Buffer                      | 0.1M Tris, 0.1M Glycine, 10% Glycerol                                                                                                                                                         |
| Target Molecular Weight     | 50 kDa                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                               |
| Description                 | Novus Biologicals Rabbit AP2M1 Antibody - BSA Free (NBP1-32272) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                        |
| Gene ID                     | 1173                                                                                                                                                                                          |
| Gene Symbol                 | AP2M1                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                         |
| Reactivity Notes            | Xenopus laevis (99%).                                                                                                                                                                         |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human AP2M1. The exact sequence is proprietary.                                                                       |
| Product Application Details |                                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                             |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000                                                                                      |

## Images

Western Blot: AP2M1 Antibody [NBP1-32272] - Sample(30 ug of whole cell lysate)A:293T B:HeLa S3 10% SDS PAGE, antibody diluted at 1:500.

Immunohistochemistry-Paraffin: AP2M1 Antibody [NBP1-32272] - N87 xenograft, using AP2M1 antibody at 1:100 dilution. Antigen Retrieval: Trilogy™ (EDTA based, pH 8.0) buffer, 15min.
