| Storage                     | Store at 4C in the dark.                                                                                                                                                                                         |
| Clonality                   | Polyclonal                                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                                              |
| Conjugate                   | DyLight 650                                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                                           |
| Gene ID                     | 348235                                                                                                                                                                                                           |
| Gene Symbol                 | SKA2                                                                                                                                                                                                             |
| Species                     | Human, Mouse                                                                                                                                                                                                     |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat (80%).                                                                                                              |
| Immunogen                   | Antibody was raised against a 15 amino acid synthetic peptide from near the amino terminus of human SKA2. The immunogen is located within the first 50 amino acids of SKA2. Amino Acid Sequence: YRLEYEIKTNHPDSA |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | Western Blot, ELISA                                                                                                                                                                                              |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
