| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                            |
| Conjugate                   | DyLight 755                                                                                                                                                                                                    |
| Purity                      | Peptide affinity purified                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                         |
| Gene ID                     | 284656                                                                                                                                                                                                         |
| Gene Symbol                 | EPHA10                                                                                                                                                                                                         |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                              |
| Reactivity Notes            | 0                                                                                                                                                                                                              |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide of near the amino terminus of human EphA10. The immunogen is located within amino acids 120 - 170 of EphA10. Amino Acid Sequence: RPRLGGSRPRKIDT |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                              |
| Product Application Details |                                                                                                                                                                                                                |
| Applications                | Western Blot, ELISA                                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                         |
