| Clonality                   | Polyclonal                                                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                                                        |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                                                     |
| Gene ID                     | 59307                                                                                                                                                                                                                      |
| Gene Symbol                 | SIGIRR                                                                                                                                                                                                                     |
| Species                     | Human, Mouse                                                                                                                                                                                                               |
| Immunogen                   | Antibody was raised against a synthetic peptide corresponding to 15 amino acids at the C-terminus of human SIGIRR. The immunogen is located within the last 50 amino acids of SIGIRR. Amino Acid Sequence: SDLGSRNYSARTDFY |
| Product Application Details |                                                                                                                                                                                                                            |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                     |
