| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                            |
| Conjugate                   | PE                                                                                                                                                                                                             |
| Purity                      | Peptide affinity purified                                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                         |
| Gene ID                     | 79931                                                                                                                                                                                                          |
| Gene Symbol                 | TNIP3                                                                                                                                                                                                          |
| Species                     | Human, Mouse                                                                                                                                                                                                   |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide near the carboxy terminus of human ABIN3. The immunogen is located within the last 50 amino acids of ABIN3. Amino Acid Sequence: KQREHPPDYQWYALD |
| Product Application Details |                                                                                                                                                                                                                |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                         |
