Trypsin Inhibitor Antibody [DyLight 350]

| Product Information         |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                    |
| Storage                     | Store at 4C in the dark.                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                             |
| Isotype                     | IgG                                                                                                                            |
| Conjugate                   | DyLight 350                                                                                                                    |
| Purity                      | Multi-step                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                             |
| Product Description         |                                                                                                                                |
| Host                        | Rabbit                                                                                                                         |
| Gene ID                     | 547831                                                                                                                         |
| Gene Symbol                 | KTI3                                                                                                                           |
| Species                     | Plant                                                                                                                          |
| Reactivity Notes            | Cross reactivity against Trypsin Inhibitor from other tissues and species may occur but have not been specifically determined. |
| Immunogen                   | Trypsin Inhibitor [Lima Bean] (Uniprot: P01070)                                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                              |
| Product Application Details |                                                                                                                                |
| Applications                | Western Blot, ELISA                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                         |
