**NBP1-90145**

AP1GBP1 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit AP1GBP1 Antibody - BSA Free (NBP1-90145) is a polyclonal antibody validated for use in IHC and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                              |
| Gene ID             | 11276                                                                                                                                                                                               |
| Gene Symbol         | SYNRG                                                                                                                                                                                               |
| Species             | Human                                                                                                                                                                                               |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>FMAFSNSSISSEQKPDDKYDALKEEASPVPLTSNVGSTVKGGQNSTAASKYD<br>VFRQLSLEGSGLGVEDLKDNTPSGKSDDDFADFHS                |

| Product Application Details |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                      |
| Recommended Dilutions       | Immunohistochemistry 1:20 - 1:50, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:20 - 1:50 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF Fixation Permeabilization: Use PFA/Triton X-100.                     |

## Images

Immunocytochemistry/Immunofluorescence: AP1GBP1 Antibody [NBP1-90145] - Staining of human cell line U-2 OS shows positivity in cytoplasm. Antibody staining is shown in green.

Immunohistochemistry-Paraffin: AP1GBP1 Antibody [NBP1-90145] - Staining of human cerebellum shows strong cytoplasmic positivity in Purkinje cells.
