| Isotype                     | IgG                                                                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                     |
| Buffer                      | 0.1M Tris, 0.1M Glycine, 20% Glycerol                                                                                                                                                         |
| Target Molecular Weight     | 101 kDa                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                               |
| Description                 | Novus Biologicals Rabbit NARG1 Antibody - BSA Free (NBP2-19478) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                        |
| Gene ID                     | 80155                                                                                                                                                                                         |
| Gene Symbol                 | NAA15                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                         |
| Immunogen                   | Recombinant protein encompassing a sequence within the C-terminus region of human NARG1. The exact sequence is proprietary.                                                                   |
| Product Application Details |                                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                             |
| Recommended Dilutions       | Western Blot 1:5000-1:20000, Immunohistochemistry 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000                                                                                    |

## Images

Western Blot: NARG1 Antibody [NBP2-19478] - Sample (30 ug of whole cell lysate) A: NT2D1 B: IMR32 7. 5% SDS PAGE gel, diluted at 1:10000.

Immunohistochemistry-Paraffin: NARG1 Antibody [NBP2-19478] - Immunohistochemical analysis of paraffin-embedded Breast ca, using antibody at 1:250 dilution.
