## BSDC1 Antibody - BSA Free

### NBP2-38180

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Host                        | Rabbit                                                                                                                                                                                      |
| Gene ID                     | 55108                                                                                                                                                                                       |
| Gene Symbol                 | BSDC1                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                       |
| Immunogen                   | This antibody was developed against a recombinant protein corresponding to amino acids:<br>DLRVFELNSDSGKSTPSNNGKKGSSDTISEDWEKDFDLDMTEEEVQMALSKV<br>DASGEVSGPGGSEGSEPNPGPCESSPQPAQLSPQEGPCSL |
| Product Application Details |                                                                                                                                                                                             |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                   |
| Recommended Dilutions       | Western Blot 0.04-0.4 ug/ml, Immunohistochemistry 1:2500 - 1:5000, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:2500 - 1:5000                      |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.<br>Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100.                                            |

## Images

Western Blot: BSDC1 Antibody [NBP2-38180] - Analysis using Anti-BSDC1 antibody NBP2-38180 (A) shows similar pattern to independent antibody NBP1-84644 (B).

Immunohistochemistry: BSDC1 Antibody [NBP2-38180] - Staining of human colon shows moderate, granular cytoplasmic positivity in glandular cells.
