| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                 |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                                                                       |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                             |
| <b>Product Description</b>         |                                                                                                                                                                                                 |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                          |
| <b>Gene ID</b>                     | 9699                                                                                                                                                                                            |
| <b>Gene Symbol</b>                 | RIMS2                                                                                                                                                                                           |
| <b>Species</b>                     | Human                                                                                                                                                                                           |
| <b>Immunogen</b>                   | Antibody was raised against a 16 amino acid peptide near the carboxy terminus of human RIM2. The immunogen is located within amino acids 30 - 80 of RIM2. Amino Acid Sequence: MDRQKKEEEKEQSVLK |
| <b>Product Application Details</b> |                                                                                                                                                                                                 |
| <b>Applications</b>                | Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                      |
| <b>Recommended Dilutions</b>       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                          |
