| <b>Isotype</b>                     | IgG                                                                                                                                                                                                                                                                                                |
| <b>Conjugate</b>                   | FITC                                                                                                                                                                                                                                                                                               |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                                                                                                                                                                          |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                                                                                                |
| <b>Product Description</b>         |                                                                                                                                                                                                                                                                                                    |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                                                                                                                             |
| <b>Species</b>                     | Virus                                                                                                                                                                                                                                                                                              |
| <b>Reactivity Notes</b>            | 0                                                                                                                                                                                                                                                                                                  |
| <b>Specificity/Sensitivity</b>     | This antibody is specific for the novel swine influenza Neuraminidase and will not recognize the corresponding Neuraminidase sequence from the seasonal H1N1 influenza (A/Georgia/20/2006 (H1N1)). Will not cross-react with peptide corresponding to the seasonal influenza (H1N1) Neuraminidase. |
| <b>Immunogen</b>                   | Antibody was raised against a synthetic peptide from the novel swine influenza Neuraminidase protein. This antibody is a cognate pair with product NBP2-41111. The immunogen is located within amino acids 50 - 100 of Swine H1N1 Neuraminidase. Amino Acid Sequence: AAGQSVSVK                    |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                                                                    |
| <b>Applications</b>                | ELISA                                                                                                                                                                                                                                                                                              |
| <b>Recommended Dilutions</b>       | ELISA                                                                                                                                                                                                                                                                                              |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                             |
