| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                   |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                                                                         |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                               |
| <b>Product Description</b>         |                                                                                                                                                                                                   |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                            |
| <b>Gene ID</b>                     | 191585                                                                                                                                                                                            |
| <b>Gene Symbol</b>                 | PLAC4                                                                                                                                                                                             |
| <b>Species</b>                     | Human                                                                                                                                                                                             |
| <b>Immunogen</b>                   | Antibody was raised against a 17 amino acid synthetic peptide near the center of human PLAC4. The immunogen is located within amino acids 20 - 70 of PLAC4. Amino Acid Sequence: DTLHPRHRHSSPWTPH |
| <b>Product Application Details</b> |                                                                                                                                                                                                   |
| <b>Applications</b>                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                      |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                            |
