

# Product Datasheet

## **CESK1 Antibody (OTI1C1) NBP2-46114**

Unit Size: 0.1 ml

Store at -20C. Avoid freeze-thaw cycles.

**NBP2-46114**

CESK1 Antibody (OTI1C1)

| Product Information     |                                          |
|-------------------------|------------------------------------------|
| Unit Size               | 0.1 ml                                   |
| Concentration           | 1 mg/ml                                  |
| Storage                 | Store at -20C. Avoid freeze-thaw cycles. |
| Clonality               | Monoclonal                               |
| Clone                   | OTI1C1                                   |
| Preservative            | 0.02% Sodium Azide                       |
| Isotype                 | IgG1                                     |
| Purity                  | Immunogen affinity purified              |
| Buffer                  | PBS (pH 7.3), 1.0% BSA and 50% Glycerol  |
| Target Molecular Weight | 59.2 kDa                                 |

| Product Description |                                                                                                                                                                                                    |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Mouse CESK1 Antibody (OTI1C1) (NBP2-46114) is a monoclonal antibody validated for use in IHC, WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Mouse                                                                                                                                                                                              |
| Gene ID             | 150160                                                                                                                                                                                             |
| Gene Symbol         | CCT8L2                                                                                                                                                                                             |
| Species             | Human                                                                                                                                                                                              |
| Immunogen           | Full length human recombinant protein of human CCT8L2(NP_055221) produced in HEK293T cell.                                                                                                         |

| Product Application Details |                                                                                                                              |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                    |
| Recommended Dilutions       | Western Blot 1:4000, Immunohistochemistry 1:150, Immunocytochemistry/Immunofluorescence 1:100, Immunohistochemistry-Paraffin |

## Images

Western Blot: CESK1 Antibody (OTI1C1) [NBP2-46114] - Analysis of HEK293T cells were transfected with the pCMV6-ENTRY control (Left lane) or pCMV6-ENTRY CESK1.

Immunohistochemistry: CESK1 Antibody (OTI1C1) [NBP2-46114] - Analysis of Human colon tissue. (Heat-induced epitope retrieval by 10mM citric buffer, pH6.0, 120C for 3min)

Immunohistochemistry: CESK1 Antibody (OTI1C1) [NBP2-46114] - Analysis of Carcinoma of Human kidney tissue. (Heat-induced epitope retrieval by 10mM citric buffer, pH6.0, 120C for 3min)

Immunofluorescence: CESK1 Antibody (OTI1C1) [NBP2-46114] - Analysis of COS7 cells transiently transfected by pCMV6-ENTRY CESK1.
