**NBP2-47432**

HNRNPUL1 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit HNRNPUL1 Antibody - BSA Free (NBP2-47432) is a polyclonal antibody validated for use in IHC, WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                                   |
| Gene ID             | 11100                                                                                                                                                                                                    |
| Gene Symbol         | HNRNPUL1                                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                                    |
| Reactivity Notes    | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (85%), Rat (85%)                                                                                          |
| Immunogen           | This antibody was developed against a recombinant protein corresponding to amino acids:<br>NESGYERRPLEMEQQQAYRPEMKTEMKQGAPTSFLPPEASQLKPDRQQFQS<br>RKRPYEENRGRGYFEHREDRRGRSPQPPAEED                       |

| Product Application Details |                                                                                                                                                                    |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                         |
| Recommended Dilutions       | Western Blot 0.04-0.4 ug/ml, Immunohistochemistry 1:200 - 1:500, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:200 - 1:500 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF, Fixation Permeabilization: Use PFA/Triton X-100.                                                     |

## Images

Western Blot: HNRNPUL1 Antibody [NBP2-47432] - Lane 1: Marker [kDa] 250, 130, 95, 72, 55, 36, 28, 17, 10. Lane 2: Human cell line RT-4. Lane 3: Human cell line U-251MG.

Immunocytochemistry/Immunofluorescence: HNRNPUL1 Antibody [NBP2-47432] - Immunofluorescent staining of human cell line HEK 293 shows localization to nucleoplasm.

Immunohistochemistry-Paraffin: HNRNPUL1 Antibody [NBP2-47432] - Staining of human testis.

Immunohistochemistry-Paraffin: HNRNPUL1 Antibody [NBP2-47432] - Staining of human colon, kidney, liver and testis using Anti-HNRNPUL1 antibody NBP2-47432 (A) shows similar protein distribution across tissues to independent antibody NBP2-47431 (B).

Immunohistochemistry-Paraffin: HNRNPUL1 Antibody [NBP2-47432] - Staining of human liver.

Immunohistochemistry-Paraffin: HNRNPUL1 Antibody [NBP2-47432] - Staining of human kidney.

Immunohistochemistry-Paraffin: HNRNPUL1 Antibody [NBP2-47432] - Staining of human colon.
