| Clonality                   | Monoclonal                                                                                                                        |
| Clone                       | HD37                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                |
| Isotype                     | IgG Kappa                                                                                                                         |
| Conjugate                   | Biotin                                                                                                                            |
| Purity                      | Protein A purified                                                                                                                |
| Buffer                      | PBS                                                                                                                               |
| Product Description         |                                                                                                                                   |
| Host                        | Rabbit                                                                                                                            |
| Gene ID                     | 930                                                                                                                               |
| Gene Symbol                 | CD19                                                                                                                              |
| Species                     | Human                                                                                                                             |
| Reactivity Notes            | Human                                                                                                                             |
| Specificity/Sensitivity     | Recognises human CD19.                                                                                                            |
| Immunogen                   | Cells from a hairy cell leukemia patient.                                                                                         |
| Product Application Details |                                                                                                                                   |
| Applications                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunoprecipitation, Block/Neutralize, CyTOF-ready |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, CyTOF-ready, Block/Neutralize |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
