Chromogranin A Antibody (CHGA/1773R) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | CHGA/1773R                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                    |
|---------------------|----------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                             |
| Gene ID             | 1113                                                                                               |
| Gene Symbol         | CHGA                                                                                               |
| Species             | Human, Mouse, Rat (Negative)                                                                       |
| Reactivity Notes    | Does not react with Rat. <br/><br/>Use in Mouse reported in scientific literature (PMID:32795610). |
| Marker              | Neuroendocrine Marker                                                                              |
| Immunogen           | Recombinant full-length human Chromogranin A protein (Uniprot: P10645)                             |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.              |

| Product Application Details |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
