## NLRX1 Antibody - BSA Free

### NBP2-56975

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP2-56975**

NLRX1 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                        |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit NLRX1 Antibody - BSA Free (NBP2-56975) is a polyclonal antibody validated for use in IHC and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee.      |
| Host                | Rabbit                                                                                                                                                                                                 |
| Gene ID             | 79671                                                                                                                                                                                                  |
| Gene Symbol         | NLRX1                                                                                                                                                                                                  |
| Species             | Human                                                                                                                                                                                                  |
| Reactivity Notes    | Mouse 89%, Rat 88%                                                                                                                                                                                     |
| Immunogen           | This antibody was developed against a recombinant protein corresponding to the following amino acid sequence:<br>SATEAIQRHRRNLAEWFSRLPREERQFGPTFALDTVHVDPVIRESTPDELLRPP<br>AELALEHQPPQAGLPPLALSQLFNPDA |

| Product Application Details |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                      |
| Recommended Dilutions       | Immunohistochemistry 1:20 - 1:50, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:20 - 1:50 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF, Fixation Permeabilization: Use PFA/Triton X-100.                    |

## Images

Immunocytochemistry/Immunofluorescence: NLRX1 Antibody [NBP2-56975] - Staining of human cell line A549 shows localization to plasma membrane & mitochondria.

Immunohistochemistry-Paraffin: NLRX1 Antibody [NBP2-56975] - Immunohistochemical staining of human fallopian tube shows strong cytoplasmic positivity with a granular pattern in glandular cells.
