|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 100 ul                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Affinity purified                                                                                                |
| <b>Buffer</b>        | PBS (pH 7.2) and 40% Glycerol                                                                                    |

**Product Description**

|                         |                                                                                                                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Novus Biologicals Rabbit LUC7L Antibody - BSA Free (NBP2-58207) is a polyclonal antibody validated for use in WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>             | Rabbit                                                                                                                                                                                           |
| <b>Gene ID</b>          | 55692                                                                                                                                                                                            |
| <b>Gene Symbol</b>      | LUC7L                                                                                                                                                                                            |
| <b>Species</b>          | Human                                                                                                                                                                                            |
| <b>Reactivity Notes</b> | Mouse 86%, Rat 86%                                                                                                                                                                               |
| <b>Immunogen</b>        | This antibody was developed against a recombinant protein corresponding to the following amino acid sequence: GHRRASRDRSAKYKFSRERASREESWES                                                       |

**Product Application Details**

|                              |                                                                                         |
|------------------------------|-----------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunocytochemistry/ Immunofluorescence                                   |
| <b>Recommended Dilutions</b> | Western Blot 0.04-0.4 ug/ml, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml       |
| <b>Application Notes</b>     | Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100. |

## Images

Western Blot: LUC7L Antibody [NBP2-58207] - Western blot analysis in human cell line RT-4 and human cell line U-251 MG.

Immunocytochemistry/Immunofluorescence: LUC7L Antibody [NBP2-58207] - Staining of human cell line U-2 OS shows localization to nucleus.
