FHL1 Antibody (OTI3G7) [Biotin]

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | OTI3G7                                                                                      |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG2b                                                                                       |
| <b>Conjugate</b>           | Biotin                                                                                      |
| <b>Purity</b>              | Immunogen affinity purified                                                                 |
| <b>Buffer</b>              | PBS                                                                                         |

| <b>Product Description</b> |                                                                                                                                                                                                                                                                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Mouse                                                                                                                                                                                                                                                                                                                                           |
| <b>Gene ID</b>             | 2273                                                                                                                                                                                                                                                                                                                                            |
| <b>Gene Symbol</b>         | FHL1                                                                                                                                                                                                                                                                                                                                            |
| <b>Species</b>             | Human, Mouse, Rat                                                                                                                                                                                                                                                                                                                               |
| <b>Reactivity Notes</b>    | Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Mouse-On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. |
| <b>Immunogen</b>           | Full length recombinant protein of human FHL1 (NP_001440) produced in HEK293T cells.                                                                                                                                                                                                                                                            |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                |
| <b>Recommended Dilutions</b>       | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
