G gamma7 Antibody (OTI3G1) [PE]

| Product Information         |                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                     | Store at 4C in the dark.                                                                                          |
| Clonality                   | Monoclonal                                                                                                        |
| Clone                       | OTI3G1                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                |
| Isotype                     | IgG2a                                                                                                             |
| Conjugate                   | PE                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                       |
| Buffer                      | PBS                                                                                                               |
| Product Description         |                                                                                                                   |
| Host                        | Mouse                                                                                                             |
| Gene ID                     | 2788                                                                                                              |
| Gene Symbol                 | GNG7                                                                                                              |
| Species                     | Human, Mouse, Rat                                                                                                 |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 2-65 of human GNG7(NP_443079) produced in E.coli. |
| Product Application Details |                                                                                                                   |
| Applications                | Western Blot                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                            |
