| Clonality                   | Polyclonal                                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                               |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                                   |
| Purity                      | Peptide affinity purified                                                                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                                            |
| Gene ID                     | 163351                                                                                                                                                                                                            |
| Gene Symbol                 | GBP6                                                                                                                                                                                                              |
| Species                     | Human, Mouse                                                                                                                                                                                                      |
| Specificity/Sensitivity     | GBP6 antibody is predicted to not cross-react with other GBP family members.                                                                                                                                      |
| Immunogen                   | GBP6 antibody was raised against a 15 amino acid synthetic peptide near the carboxy terminus of human GBP6. The immunogen is located within the last 50 amino acids of GBP6. Amino Acid Sequence: VKGVSSLFKKHKLPF |
| Product Application Details |                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                            |
