| Clonality                   | Polyclonal                                                                                                                                                                                                |
| Preservative                | No Preservative                                                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                                                       |
| Conjugate                   | HRP                                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                    |
| Gene ID                     | 64167                                                                                                                                                                                                     |
| Gene Symbol                 | ERAP2                                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                                     |
| Reactivity Notes            | 0                                                                                                                                                                                                         |
| Specificity/Sensitivity     | Aminopeptidase LRAP/ERAP2 antibody is human reactive. Multiple isoforms of Aminopeptidase LRAP/ERAP2 are known to exist. Aminopeptidase LRAP/ERAP2 antibody is predicted to not cross-react with ERAP1.   |
| Immunogen                   | ERAP2 antibody was raised against a 17 amino acid peptide near the amino terminus of human ERAP2. The immunogen is located within amino acids 110 - 160 of ERAP2 . Amino Acid Sequence: LQSEEDSRYMKPGKELK |
| Product Application Details |                                                                                                                                                                                                           |
| Applications                | Western Blot, ELISA                                                                                                                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                    |
