| Clonality                   | Polyclonal                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                        |
| Conjugate                   | DyLight 594                                                                                                                                                |
| Purity                      | Peptide affinity purified                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                         |
| Product Description         |                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                     |
| Gene ID                     | 2118                                                                                                                                                       |
| Gene Symbol                 | ETV4                                                                                                                                                       |
| Species                     | Human, Mouse, Rat                                                                                                                                          |
| Reactivity Notes            | 0                                                                                                                                                          |
| Specificity/Sensitivity     | At least three isoforms of Pea3 are known to exist. This antibody will only detect the two longest isoforms.                                               |
| Immunogen                   | Pea3 antibody was raised against a peptide corresponding to 19 amino acids near the amino terminus of human Pea3. Amino Acid Sequence: HSPTTRIKKEPQSPRTDPA |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                          |
| Product Application Details |                                                                                                                                                            |
| Applications                | Western Blot, ELISA                                                                                                                                        |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                     |
