| Clonality                   | Polyclonal                                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                                                          |
| Conjugate                   | DyLight 488                                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                                                                                       |
| Gene ID                     | 389123                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                        |
| Reactivity Notes            | 0                                                                                                                                                                                                            |
| Specificity/Sensitivity     | IQCF2 antibody is human specific. IQCF2 antibody is predicted to not cross-react with IQCF1.                                                                                                                 |
| Immunogen                   | IQCF2 antibody was raised against a 19 amino acid peptide near the amino terminus of human IQCF2. The immunogen is located within the first 50 amino acids of IQCF2. Amino Acid Sequence: EWKTLQKKKQQKIKEKLR |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                            |
| Product Application Details |                                                                                                                                                                                                              |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                                                           |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                       |
