| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                                 |
| Conjugate                   | Biotin                                                                                                                                                                                                              |
| Purity                      | Peptide affinity purified                                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                                              |
| Gene ID                     | 57600                                                                                                                                                                                                               |
| Gene Symbol                 | FNIP2                                                                                                                                                                                                               |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                   |
| Reactivity Notes            | 0                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Multiple isoforms of FNIP2 are known to exist. This antibody is predicted to not cross-react with FNIP1.                                                                                                            |
| Immunogen                   | FNIP2 antibody was raised against a 16 amino acid synthetic peptide near the carboxy terminus of human FNIP2. The immunogen is located within amino acids 860 - 910 of FNIP2. Amino Acid Sequence: KKANFRTEGDIPRNES |
| Product Application Details |                                                                                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
