| Product Description         |                                                                                                                                                                                                                                                   |
| Description                 | Novus Biologicals Rabbit ZNF341 Antibody - BSA Free (NBP2-88672) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                    |
| Host                        | Rabbit                                                                                                                                                                                                                                            |
| Gene ID                     | 84905                                                                                                                                                                                                                                             |
| Gene Symbol                 | ZNF341                                                                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                                                                             |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the middle region of human ZNF341. Peptide sequence: GEEEGDKPESKQVVLIDSSYLCQFCPSKFSTYFQLKSHMTQHKNEQVYKC The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                                                                                 |
| Recommended Dilutions       | Western Blot 1.0 ug/ml, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                       |

## Images

Western Blot: ZNF341 Antibody [NBP2-88672] - WB Suggested Anti-ZNF341 Antibody Titration: 0.2-1 ug/ml. ELISA Titer: 1:312500. Positive Control: HepG2 cell lysate

Immunohistochemistry-Paraffin: ZNF341 Antibody [NBP2-88672] - Paraffin Embedded Tissue: Human Intestine. Cellular Data: Epithelial cells of intestinal villas. Antibody Concentration: 4.0-8.0 ug/ml. Magnification: 400X
