**NBP2-89600H****Angiopoietin-2 Antibody (117) [HRP]**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | 117                                                                                         |
| <b>Preservative</b>        | No Preservative                                                                             |
| <b>Isotype</b>             | IgG                                                                                         |
| <b>Conjugate</b>           | HRP                                                                                         |
| <b>Purity</b>              | Protein A purified                                                                          |
| <b>Buffer</b>              | PBS                                                                                         |

| <b>Product Description</b> |                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Rabbit                                                                                                                                     |
| <b>Gene ID</b>             | 285                                                                                                                                        |
| <b>Gene Symbol</b>         | ANGPT2                                                                                                                                     |
| <b>Species</b>             | Human                                                                                                                                      |
| <b>Immunogen</b>           | This antibody was obtained from a rabbit immunized with purified, recombinant Human Angiopoietin-2 (Accession#: NP_001138.1; Met1-Phe496). |

| <b>Product Application Details</b> |                                                                            |
|------------------------------------|----------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation |
| <b>Recommended Dilutions</b>       | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.     |
