BOLA1 Antibody (016) [Biotin]

| Product Information         |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                |
| Storage                     | Store at 4C in the dark.                                                                                                   |
| Clonality                   | Monoclonal                                                                                                                 |
| Clone                       | 016                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                         |
| Isotype                     | IgG                                                                                                                        |
| Conjugate                   | Biotin                                                                                                                     |
| Purity                      | Protein A purified                                                                                                         |
| Buffer                      | PBS                                                                                                                        |
| Product Description         |                                                                                                                            |
| Host                        | Rabbit                                                                                                                     |
| Gene ID                     | 51027                                                                                                                      |
| Gene Symbol                 | BOLA1                                                                                                                      |
| Species                     | Human                                                                                                                      |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human BOLA1 (Uniprot#: Q9Y3E2; Met1-Pro137). |
| Product Application Details |                                                                                                                            |
| Applications                | ELISA                                                                                                                      |
| Recommended Dilutions       | ELISA                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                     |
