| Purity                      | Protein A purified                                                                                                               |
| Buffer                      | PBS                                                                                                                              |
| Product Description         |                                                                                                                                  |
| Host                        | Rabbit                                                                                                                           |
| Gene ID                     | 922                                                                                                                              |
| Gene Symbol                 | CD5L                                                                                                                             |
| Species                     | Mouse                                                                                                                            |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Mouse CD5L (Accession#: NP_033820.2; Met1-Val352). |
| Product Application Details |                                                                                                                                  |
| Applications                | Sandwich ELISA Capture                                                                                                           |
| Recommended Dilutions       | Sandwich ELISA Capture                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                           |
